

Computer Game and Animation Design

QF Level: 3 QR Registration No.: 16/000975/L3 Registration Validity Period: 01/01/2017 - 31/08/2021

Course Features

Course Aims

It aims at developing students' creativity, communication skills and problem-solving skills, equipping them with the knowledge and skills of manipulating different media so they can apply them to the design and production of computer games and animations.

Multimedia Software

Students will learn to operate different multimedia software commonly used in the creative media industries, e.g. Adobe Illustrator, Adobe Premiere, Adobe Soundbooth, etc.

Elective Streams

"Computer Game Design" and "3D Animation Design" streams are offered and students have to indicate preference at the time of application.

Learning Modules

Common Modules

1. Computer Game and Animation Fundamentals (27 hours)

- Industry knowledge
- Role of creative designers
- History and cultural issues of game and animation
- Copyright issues and work ethics
- Production workflow of computer game and animation
- Success factors of computer game and animation design

2. Visual Design Basics (30 hours)

- Multimedia entertainment products appreciation
- Visual design fundamentals
- Tools for visual design
- Characters and props appreciation and design

3. Creativity and Storyboarding for Computer Game and Animation (24 hours)

- Creativity techniques
- Storyboarding techniques
- Integrating creativity and computer game and animation design

Diversified Learning and Teaching Activities

There will be practical training, project learning, visits to computer game and animation related exhibitions, etc.

Professional Recognition

This course has been registered in the Qualifications Register as a certificate programme at Qualifications Framework (QF) Level 3. Students will also obtain a QF Level 3 certificate in addition to HKDSE qualification upon successful completion of the course.

Computer Game Design Stream

4. Computer Game Design and Development (30 hours)
5. Motion Graphics and Visual Effects for Computer Game (24 hours)
6. Computer Game Production Project (45 hours)

3D Animation Design Stream

4. 3D Animation Design and Development (33 hours)
5. Audio Recording and Sound Effects for Animation (21 hours)
6. 3D Animation Production Project (45 hours)

Mr. Vincent Yeung, Secretary of Hong Kong Game Industry Association

"The flourishing multimedia entertainment industry has not only brought about huge economic benefits to Hong Kong, but has also attracted youngsters to join the fields of animation design and computer programming. This ApL course fosters the development of knowledge and skills in computer game and animation design, and cultivates students' creativity. Through the hands-on practice in computer game and animation design, students can keep themselves abreast of the latest development of the multimedia entertainment industry, and prepare themselves for further studies or career development in the industry."

Articulation Pathways

Further Studies

Courses related to computer game and animation, software engineering, cloud computing and data centre administration, digital entertainment and multimedia, etc., such as the following courses offered by the Hong Kong Institute of Vocational Education (IVE) / the Technological and Higher Education Institute of Hong Kong (THEi):

- Higher Diploma in Games and Animation
- Higher Diploma in Audio-Visual Entertainment Technology
- Higher Diploma in Multimedia
- Higher Diploma in Cloud and Data Centre Administration
- Higher Diploma in Software Engineering
- Bachelor of Science (Honours) in Multimedia Technology and Innovation
- Bachelor of Science (Honours) in Information and Communications Technology

Employment

Careers in the fields of computer game and animation, software engineering, cloud computing and data centre administration, digital entertainment, multimedia, etc.

Class Arrangement

Mode 1 (Lessons will also be scheduled during summer vacation)

- Every Saturday 9:00 - 12:00 OR
- Every Saturday 12:00 - 15:00 OR
- Every Saturday 15:00 - 18:00

Venue:

- IVE (Lee Wai Lee) 3 King Ling Road, Tseung Kwan O, N.T. OR
 - IVE (Shatin) 21 Yuen Wo Road, Shatin, N.T.
- (Remark: Final arrangement may be subject to change with respect to the confirmed number of enrolment.)

Mode 2

Subject to mutual agreement between the school and the VTC.

Selection Arrangement

Students are required to attend a group interview. Selection is based on student's interest towards the course, aptitude, creativity, basic computer knowledge, communication and language skills.

Course Fee

\$13,500 (Course fee is fully subsidised by the EDB and secondary schools.)
