Applied Learning Courses
Students with Special Educational Needs –
Application for Special Exemption / Special Assessment Arrangements
2018/20 Cohort

Introduction

Special educational needs can roughly be categorised into hearing impairment, visual impairment, physical handicap, speech impairment, intellectual disabilities, mental illness, autism, visceral disability / chronic illness, specific learning disabilities (e.g. dyslexia), and attention deficit / hyperactivity disorder. Depending on the nature and severity of their needs, students may apply for exemption from an assessment or part of an assessment; or special arrangements in an assessment.

Deadline for Application

Students should submit applications, together with documentary evidence, **at or before the ApL course commencement in S.5** to the VTC Applied Learning Team (Room 1318, 13/F, VTC Tower, 27 Wood Road, Wan Chai; please specify “Application for Special Assessment Arrangements”). Applications submitted after **28th September 2018** will normally not be accepted.

Documentation Requirements

- All applications should be supported by **an up-to-date medical / assessment report**, valid throughout the ApL assessment period, issued by the Hospital Authority, Department of Health, Education Bureau, a registered medical practitioner or a professional (e.g. audiologist, speech therapist, educational psychologist or clinical psychologist). These reports should **state the special needs of the students and the special assessment arrangement necessary for the students**. Application without sufficient documentary evidence, information and justifications will not be processed.
- Schools should also provide information on the special arrangements made for the students in the school internal assessments in the application forms.

Processing Procedures

- All applications are considered by the Course Leaders concerned, Chairman of the VTC Applied Learning Course Board, and Vocational Training for People with Disabilities Section of the VTC.
- In considering the special assessment arrangements, the nature and severity of the disabilities, the requests of the students, as well as special arrangements made for the students in schools will be given due consideration.

Notification of Results

The results in writing will be released to the schools and the students by the **end of October 2018**. The results will be valid for the whole cohort, i.e. students need not re-apply in S.6 under normal circumstances.
