Declaration

(1) I declare that I am a local applicant and the information given in this application is, to the best of my knowledge, accurate and complete. I understand that this information will be used in the admission process of the Programmes offered by Vocational Training Council (VTC). (Please read the Definition of Local / Non-local Students)

(2) I understand the institute concerned will check my proof of identity during registration for verifying my local student status.

(3) I authorise VTC to obtain, and the relevant authorities (which include the Hong Kong Examinations and Assessment Authority, VTC, etc.) to release, any and all information about my results of any public examinations and my studies in institutions in Hong Kong and elsewhere.

(4) I authorise VTC to use my data to carry out checks on any applications for admission to programmes it offers and checks on records of current and previous studies in its member institutions.

(5) I authorise VTC to allow the school / institute in which I am currently enrolled to have access to the information contained in, and the progress of my application.

(6) I understand that, upon my registration in a programme in VTC, the data contained in this application will become part of my student record and may be used for all purposes relating to my study in VTC.

(7) I understand that VTC may use my application data for statistical purposes. The application form and other related personal information will be disposed of after the completion of the 2025 admissions exercise. Nevertheless, if I have indicated in the application form that I wish to receive information about VTC, my application data will be retained.

(8) I understand that provision of any false or misleading information therein shall lead to DISQUALIFICATION of my application without notice and cancellation of any resultant registration, and any fees paid will NOT be refunded.

If your information is correct and you agree to the content of Declaration, press Submit. Otherwise, press Cancel to amend incorrect data.
