## Sharing sessions on national development

VTC一直透过不同活动，包括讲座、工作坊、培训课程等，加深员工对香港及国家发展的了解。早前，我们邀请到励进教育中心理事会主席范徐丽泰女士及刘健仪律师，向员工讲解有关《中国宪法》、「一国两制」、《基本法》与《港区国安法》的关系，透过专家的分享，加深大家对有关宪制同法例的认识。

At the VTC, staff are encouraged to keep abreast of the latest national and Hong Kong development through a diverse range of activities, such as seminars, workshops, training programmes and so on. To this end, we invited Chairman of Endeavour Education Centre Mrs Rita FAN HSU Lai-tai and Solicitor Ms Miriam LAU Kin-yee to conduct sharing sessions on the Constitution of the People's Republic of China and on its correlation with “One Country, Two Systems”, the Basic Law, and the National Security Law, to deepen colleagues’ knowledge about the Constitution and the legislation concerned.
