共享空间 Co-work Space

VTC机构成员香港知专设计学院(HKDI)60位学生于早前在驻校创作者及导师带领下,运用缤纷色彩与素材,为校园打造全新共享空间。

这项计划由HKDI不同学系学生以跨学科模式合作进行。学生把设计工艺理念应用于环保回收物料当中,将昔日的饭堂改建成别帜一格的学习及休闲空间。过程既可以让学生发挥创意,将所学的知识应用于生活当中,同时也为校园带来焕然一新的感觉。

Led by resident creators and instructors, 60 students of HKDI, a member institution of VTC, have jointly created a new co-work space on campus with vibrant colours and materials.

Students from various departments at HKDI collaborated to transform the former canteen into a distinctive learning and leisure space. By applying design concepts to recycled materials, students not only showcased their creativity but also put their design knowledge into practice, bringing a fresh new look to the campus.
