VTC与澳洲皇家墨尔本理工大学庆祝合作20周年
Celebrating the 20th Anniversary of partnership with RMIT University

土木工程及建筑论坛 Civil Engineering and Construction Forum 2023

为庆祝VTC与澳洲皇家墨尔本理工大学(RMIT大学)合作20周年，双方于10月16日假座澳洲总领事官邸举行庆祝活动，并邀得业界及非牟利组织代表出席，共同见证这个里程碑。

VTC与RMIT大学在过往二十年一直紧密合作，为双方院校师生提供各种学习机会，以增进他们的专业知识及扩阔视野，包括举办交流考察团，让工程学科学生有机会前赴澳洲，参观RMIT大学现代化及先进的实验室及设施，以及了解当地的工业发展。此外，双方亦不时合办论坛，促进知识交流，例如近期的土木工程与建筑论坛，便汇聚各方学者及专家，共同探讨现今建筑业面对的挑战，及新科技带来的机遇。

为未来栋梁加冕

在庆祝双方合作20周年的同时，RMIT大学与VTC机构成员才晋高等教育学院(SHAPE)合办的衔接学士学位课程，亦于10月15日举行了毕业典礼，向300多名学生颁授学士学位资历。历年来，双方合办的课程共培育出逾3,000名毕业生，VTC将继续与RMIT大学合作，为年轻人提供专业进修机会，协助他们实践理想。

VTC and RMIT University celebrated the 20th anniversary of partnership at the residence of the Australian Consul-General on 16 October 2023. Representatives from the industry and non-profit organisations attended the celebration event to applaud the milestone of joint effort in reshaping education in Hong Kong.

VTC and RMIT University have worked closely over the past twenty years to provide diverse learning opportunities for students and staff from both institutions, thereby enhancing their professionalism and widening their horizons. For instance, an exchange visit to RMIT University in Australia has been organised for students from the Engineering Discipline to learn about modern facilities and cutting-edge technologies of local industry. In addition, co-organised academic forums are arranged from time to time to enhance knowledge exchange.

Conferring future leaders

Along with the 20th anniversary celebration, a graduation ceremony was held on 15 October 2023 to present certificates to 300 graduates from the top-up degree programmes jointly provided by the University and the School for Higher and Professional Education (SHAPE), a VTC's member institution. Over the past years, over 3,000 students have graduated from these programmes and VTC will continue to build stronger ties with RMIT University to nurture our young talent in pursuing their dreams.
