香港高等教育科技学院(THEi高科院)与加拿大圣力嘉理工学院于12月签订合作备忘录，双方将就学术协作、应用研究、学习与交流活动等领域开展合作，为学生缔造多元学习机会。

圣力嘉理工学院以发展与行业相关的应用研究见称，学院与THEi同样致力提供应用为本的课程，并透过与业界合作，装备学生成为行业专才。透过是次合作，冀能为双方学生创造更多交流和学习机会，扩阔国际视野，提升专业实力。

The Technological and Higher Education Institute of Hong Kong (THEi) and Canada's Seneca Polytechnic signed a MoU in December to foster collaboration in multiple areas including programme cooperation, applied research, and various learning and exchange activities to enrich learning opportunities for students.

Seneca is renowned for its commitment to industry-relevant applied research. Same as THEi, Seneca offers quality applied programmes and works closely with the industry to prepare students to be skilled professionals. Through this collaboration, it is hoped that students from both institutions would have more opportunities to share experience and learn from each other, thereby widening their horizon and enhancing their professional skills.
