## Government's Budget supports post-secondary education and VPET and relaxes Mainland student admission quota for self-financing institutions

財政司司長早前公布《2025/26年度財政預算案》，政府在教育領域持續投入資源，致力於提供優質教育，並發展香港成為國際高端人才的集聚地，通過實施各項措施，為香港經濟的高質量發展注入新動能。與此同時，教育局亦宣布取得國家教育部同意，逐步放寬自資院校招收內地學生的限額，促進自資專上教育界別擴容提質。

自2025/26學年起，包括VTC機構成員香港高等教育科技學院（THEi高科院）在內的六間自資院校所開設的全日制經本地評審的自資本地副學位及學士學位（包括銜接學位）課程，其內地、澳門及台灣學生人數限額，將逐步提升至40%，與政府資助的專上院校非本地學生限額看齊；同時允許這些院校向全國所有省、區和市招生，以進一步支持自資專上教育的穩健發展，助力香港成為國際專上教育樞紐。

VTC及轄下THEi高科院將全力支持政府政策，繼續透過提供與時並進的職專教育，培育更多具備專業技能和國際視野的專才，為香港經濟增添動力，推動國家高質量發展。

As outlined in the 2025-26 Budget announced by the Financial Secretary, the Government will continue to invest resources in the education sector, with the aim of providing quality education and building Hong Kong into an international hub for high-calibre talents. Various measures would be implemented to inject new impetus for Hong Kong's high-quality economic development. The Education Bureau also announced that an agreement by the Ministry of Education has been obtained to progressively relax the admission quota for Mainland students at self-financing post-secondary institutions, which can help enhance quality while expanding capacity.

Starting from the 2025/26 academic year, the quota for Mainland China, Macau, and Taiwan students of full-time locally accredited self-financing local sub-degree and undergraduate (including top-up degree) programmes at the Technological and Higher Education Institute of Hong Kong (THEi), a member institution of the VTC, as well as the other five self-financing institutions, will be gradually increased to 40%, aligning with the non-local student quota of publicly funded post-secondary institutions. Additionally, the measure allows relevant institutions to admit students from all provinces, regions, and municipalities of the country, with a view to further supporting the sustainable development of the self-financing post-secondary education sector and establishing Hong Kong as an international hub for post-secondary education.

VTC and THEi fully support the Government's policies and will continue to provide industry relevant Vocational and Professional Education and Training (VPET) with a view to cultivating more skilled professionals with a global perspective, thereby energising Hong Kong's economy and contributing to the nation's high-quality development.
