

工业专员(创新及科技)率领代表团到访VTC 了解新能源运输职专发展

Commissioner for Industry (Innovation and Technology) leads a delegation to visit VTC to learn the VPET development for new energy transportation

发展新能源运输是环球趋势，政府近年积极推动绿色运输，新能源交通工具及相关技术的人才需求亦迅速攀升。今年初，工业专员(创新及科技)葛明博士率领中国一汽国际 (FAWI，母公司为中国一汽集团有限公司) 代表团到访香港专业教育学院 (IVE) 青衣院校，与VTC副主席叶中贤博士及其他VTC代表会晤，探讨新能源运输的职业专才教育发展。

会议中，叶博士跟代表团分享VTC为支援新能源交通行业发展而推出的人才培训项目，介绍了VTC如何通过校企合作、多元化的学习经历，以及融合课堂与职场体验的学习模式，包括学徒训练计划和相关在职培训课程，助学生掌握行业所需的知识和技能。VTC代表亦向代表团介绍为非本地生而设的职专毕业生留港计划 (VPAS)，鼓励非本地生来港就读政府指定技术行业的合资格VTC高级文凭课程后留港发展，为粤港澳大湾区以至国家的发展作出贡献。代表团随后亦参观校园的多个培训设施，包括电动车培训中心和赛马会重型车辆排放测试及研究中心等。

Dr GE Ming, the Commissioner for Innovation and Technology, leads a delegation from China FAW International to visit IVE Tsing Yi campus, where he meets with Dr Daniel YIP, VTC Deputy Chairman, to exchange views on VPET development for the new energy transportation regime.

Development of new energy transport is a global trend. While the Government has been actively promoting green transportation in recent years, the demand for new energy vehicles as well as specialists in related technologies is on the rise. Earlier this year, Dr GE Ming, Commissioner for Innovation and Technology, led a delegation from China FAW International (FAWI), a subsidiary of China FAW Group Co., Ltd., to visit the Hong Kong Institute of Vocational Education (IVE) Tsing Yi campus. During the visit, the delegation met with Dr Daniel YIP, VTC Deputy Chairman, and other VTC representatives to discuss the development of Vocational and Professional Education and Training (VPET) for new energy transportation.

During the meeting, Dr YIP shared with the delegation VTC's new energy transportation related training programmes and initiatives. He introduced how VTC equips students with necessary knowledge and skills through industry-academia collaboration, diverse learning experiences, and on-the-job training, including Apprenticeship Scheme and various in-service training programmes. VTC representatives also briefed the delegation about the Vocational Professionals Admission Scheme (VPAS), which enables non-local students studying eligible VTC Higher Diploma programmes to stay and work in Hong Kong upon graduation, and contribute to the development of the Guangdong-Hong Kong-Macao Greater Bay Area and the country. The meeting was followed by a guided tour for the delegation to various training facilities of the campus, including the Electric Vehicles Training Centre, the Jockey Club Heavy Vehicle Emissions Testing and Research Centre.
