VTC signs MoUs with Wuhan and Shenzhen institutions to advance VPET development

VTC在2025年下旬分别与武汉职业技术大学及深圳城市职业学院签订合作协议，推动职业专才教育发展，为师生缔造更多交流与学习机会。

去年10月，VTC与武汉职业技术大学签订合作备忘录，双方期望在学术交流、师资培训及学生线上互动等领域加强合作，并透过举办教师互访及教学观摩活动，提升教学质素。

VTC另于11月与深圳城市职业学院签订备忘录，深化在学术研讨、师资培训及学生交流上的合作，并加强职业语文教学研究，促进学生互动与成长。

两项合作将促进与中国内地院校的优势互补，助力两地人才培养与专业发展。

In late 2025, VTC signed MoUs with Wuhan Technical University and Shenzhen City Polytechnic to advance vocational and professional education and training (VPET) and create broader opportunities for learning and exchange for teachers and students.

In October last year, VTC signed MoU with Wuhan Technical University. Both parties aim to strengthen collaboration in areas such as academic exchange, teacher training and online student interaction, and to enhance teaching quality through initiatives including faculty exchange visits and teaching observation activities.

In November, VTC also signed MoU with Shenzhen City Polytechnic to deepen cooperation in academic analysis and discussion, staff training and student exchanges, with a particular focus on vocational language education research and promoting student engagement and growth.

These partnerships will bring together the strengths of VTC and Chinese Mainland institutions, helping to advance talent cultivation and professional development across the border.
