

IVE HoSTS students supported Culinary Charity Event at the Grand Hyatt Hotel

The annual fund raising event of Heep Hong Society, the 'Great Chefs of Hong Kong', which is considered by many as a unique culinary experience, returned to the Grand Hyatt for its 21st anniversary to the delight of Hong Kong gastronomists. As all proceeds from the event would go to the charity helping local children with special needs to receive timely education and training service, IVE students and lecturers from the Higher Diploma in Hotel and Catering were keen to support this meaningful cause.

In this event, our students worked alongside great chefs of Hong Kong to serve more than 400 guests in this mega event. Together they contributed their effort as a helpful troop with good servicing skills. It was surely an invaluable practical training opportunity for our students!
