簡介 Introduction

「賽馬會藍天教育計劃」由香港賽馬會慈善信託基金撥款推行，並於二零一七年正式展開，透過不同活動讓公眾認識車輛廢氣排放對空氣質素所造成的影響及改善方法。

Jockey Club Blue Sky Education Programme was funded by The Hong Kong Jockey Club Charities Trust and launched in 2017. Through various activities, the Programme aims to enhance public understanding on the impact of vehicle emission towards air quality and the improvement techniques.

特色 Features

外訪計劃講座及職前實踐計劃由香港賽馬會慈善信託基金全數捐助，費用全免，活動可配合學校時間安排，歡迎學校聯絡預約。

計劃獲得業界支持，定期舉辦的講座和活動主要分享綠色科技新資訊，例如新款環保車輛和最新減排技術。

Funded by The Hong Kong Jockey Club Charities Trust, the outreach talk and career taster programme could be arranged free of charge according to school schedule. Interested schools can contact us for reservation.

With industries' support, seminars and workshops will be carried out regularly on topics related to latest green technology such as latest environmental friendly vehicles and most recent emission reduction technology.

活動申請 Activities Application

外訪計劃及職前實踐計劃可透過電子郵件、傳真或網上表格預約。

Outreach talk or career taster programme can be reserved by email, fax or online form.

計劃內容 Programme Content

- 講解車輛污染物排放及其對健康和環境的影響
Pollutants from vehicle emissions and the influences on health and environment
- 簡介一系列車輛排放標準及測試系統
A series of vehicle emission standards and testing systems
- 介紹新款環保車輛及減低車輛排放污染的知識和新技術
Introduce the latest green vehicles, the knowledge and new technologies to reduce pollution caused by vehicle emissions
